Inspiring Performance

Business Lending

The Peak Partnership Lending Solutions has access to more than 30 business lending institutions throughout Australia.

As an independent finance broker, we are not restricted to dealing with a shortlist of business lending providers. We adopt a totally impartial approach to all business borrowing applications, sourcing the most appropriate loan facility and lender for your individual needs.

Expert advice

When we assess a business loan request to determine a suitable lending institution, we take into account:

- » interest rates and charging cycles;
- » loan establishment fees, ongoing fees and penalty fees;
- » repayment options;
- » flexibility and features of the loan facility;
- » the cost and value of those added loan features;

Being part of The Peak Partnership Chartered Accountants, our Lending Solutions area has a comprehensive understanding of your financial position and borrowing commitment capacity. This ensures that you receive sound financial advice before any commitment is made.

Total borrowing support

The Peak Partnership Lending Solutions also manages the total borrowing process – from initial research of suitable lenders,
